(Appendix B.2: Guidelines for authors preparing manuscripts for ISPRS sponsored meetings)

How to get to Padua ?

Padua is very close to Venice (30 km). It can be easily reached via the International Airport of Venice, by car or railway. For hotel and room bookings or tourist informations please read the web page:

<http://www.padovanet.it/apt>

Registration Information

If you plan to attend the 2nd Italy-Canada 2005 Workshop in Padua, please fill the pre-registration form and mail or fax it to the organising committee. Pre-registration using the web is also possible at the address www.cirgeo.unipd.it. Pre-registration is not binding but guarantees that you receive further information on the upcoming Workshop from the organizing committee

Registration Form

Padua, May 17-18, 2005

First Name: _____

Last Name: _____

Organization : _____

Address: _____

Post Code, City: _____

Country: _____

Phone: _____

E-mail: _____

Registration fee: 100 Euro
(Including proceedings and coffee breaks)

Method of Payment:

☐ Cash ☐ Credit Card (VISA, Mastercard)

Card No.: _____

Name on Card: _____

Expire Date: _____

Signature: _____

Fax or Mail to:

First Announcement And Call for Papers

2nd Italy – Canada Workshop on: 3D Digital Imaging and Modeling – Applications of Heritage, Industry, Medicine and Land

Padova, May 17-18 2005

Organized by

CIRGEO

Interdepartment Research Center of
Cartography, Photogrammetry,
Remote Sensing and GIS

Sponsored by

Objectives

3D digital imaging and modeling is one of the fastest growing technologies. This field of research activities has applications in robotics, industrial design, medicine, land analysis and management, photogrammetry, human modeling, cultural heritage, mechanical engineering, virtual reality and imaging sciences in general.

Following the successful 2001 workshop, four years later another date will be held in Padova in order to strengthen the friendly relationships with Canadian colleagues and to reciprocally update participants on new technologies on the field of 3D modeling.

Conference Site

Probably better known as the city of St. Anthony or as the economic capital of Veneto, Padua is one of the most important Art Cities in Italy. Today in the old city remain various evidences of its ancient history. The Roman Area surrounded by the public gardens, the Scrovegni Chapel which keeps a beautiful fresco cycle by Giotto, the Palazzo della Ragione or “Salone”, an ancient law palace built in 1218 and the worldwide famous Basilica of St Anthony, erected in 1232 in which important ancient and contemporary works of art from the 13th century to the present days can be admired.

Conference venue

The Workshop is scheduled for 17-18 May 2005 and will take place in the **Palazzo del Bò**, via 8 Febbraio. This is the seat of the University of Padua, the second most ancient university in Italy (founded in 1222), where you can still admire the Anatomical Theatre (1594) and Galileo Galilei's chair.

Panoramic view of the Old city of Padua

Social Event

Social event will include a dinner party on Tuesday, 17 May, in a typical and comfortable restaurant in Padua.

Call for Papers

If you would like to present a paper at the workshop, please send an extended abstract with 200-400 words to the organising committee. The abstract should follow the author's guidelines for ISPRS congresses and symposia.
